## PROCESS

Enjoy your own personal experience at your own pace while visiting the Quartz Gallery by Verona Marble Co. Features we hope you will like:

- No need to worry about the weather. Hot, cold, rain or snow our Quartz Gallery is Oklahoma's only climate-controlled slab warehouse.
- 46 different FULL SLAB colors to choose from by Santamargherita & Vadara.

Three easy ways to access the self-service Quartz Gallery:

- 1. Call the phone number on the front door.**  
Someone from our team will answer the phone and unlock the door remotely and you can walk right in.
- 2. If you have already been assigned a 6-digit pin number,**  
simply enter it on the keypad at the front door. The door will unlock and you can walk right in.
- 3. Ring the doorbell at the front door.**  
Verona Marble personnel will be notified remotely. We will communicate with you via the smart camera and speaker. We will unlock the door and you can walk right in.

The Quartz Gallery was designed and created specifically with the OKC community in mind. We hope you have a pleasurable shopping experience while visiting our gallery. Please review us and let us know what you think.
