santamargherita[®]
THE ORIGINAL ITALIAN SURFACE

INDICAZIONI DI SICUREZZA - SAFETY INDICATION

MADE IN ITALY

WARNING TO STAFF

Use of the material: Quartz surfacing designed for kitchen and bathroom worktops, flooring, cladding and other architectural uses. Composition (%): The material is made up of inorganic mineral deposits (85-95%), including, but not limited to, silica sand, quartz, cristobalite, glass and others, polyester (5-15%), pigments and additives (<5%). There is no provision for any risk associated with the finished SM QUARTZ[®] material in the CLP (CE) regulation n° 1272/2008. However, during manufacturing and installation of the material, it is necessary to consider the following information. Please read carefully.

FABRICATION AND INSTALLATION

This material should be fabricated using methods that involve the use of water to avoid the reaction of dust. Dust derived of manufacturing processes contains Crystalline Silica (SiO₂). Long term unprotected exposure to dust derived from the cutting, polishing and manufacturing processes may cause serious diseases as pneumoconiosis, silicosis as well the deterioration of lungs including diseases such as bronchitis, emphysema, etc. Fabricators should comply with all applicable governmental regulations. For specific information on each case, please, read our Safety Indication for Working and Good Practice Guide to manufacture. Information available at www.santamargherita.net

ADDITIONAL INFORMATION FOR AMERICAN CUSTOMERS

For further information, please review the requirements of International Labor Organization (www.ilo.org/safework), and/or the Occupational Health and Safety Administration (www.osha.gov).

PROPOSITION 65 WARNING:

This product can expose you to crystalline silica, which is known to the State of California to cause cancer. For more information go to www.p65warnings.ca.gov

HEALTH & SAFETY INFORMATION ABOUT CRYSTALLINE SILICA (SiO ₂) RESPIRABLE FRACTION.	
HAZARD H372: Causes damage to lungs through prolonged or repeated exposure (inhalation).	
PREVENTION P260: Do not breathe dust generated in the cutting, grinding and polishing processes. P264: Wash face and hands thoroughly after handling. P270: Do not eat, drink or smoke when using this material. P284: Wear respiratory protection for particles (P3).	 
FIRST AID MEASURES P314: Get medical advice/attention if you feel unwell. P501: Dispose of scrap material in accordance with local regulation.
